HOW IT IS DONE.

Victim of the Quarantine Relates His
Experience.

Sept. 5. At 1 p. m. went to
Quarantine Island, Honolulu, by
order of the Board of Health,
took a hot creoline bath, put on
a clean suit of clothes, then stepped
into the fumigation box, where
only the head and face were ex-
posed. Inside the box a large
quantity of sulphur was continu-
ally burning. A towel was placed
about the neck, so as to prevent
the sulphurous fumes from strang-
ling the victim. While in sul-
phur box, the victim's face was
vigorously fanned by a Chinaman
of stalwart proportions.

All our effects were thoroughly
fumigated with sulphur for about
two and one half hours. After
which the passengers for the
Claudine walked down the long
pier from quarantine island,
through one of the most drench-
ing rains that Honolulu has ever
seen, and took boat for the steam-
er. We were then pulled out
in the "stream," and rolled there
upon the billows for six days.
Many of the passengers were sea-
sick or partially so most of the
time.

On Sept. 11, at 5 p. m., picked
up anchor after Capt. Cameron
having received orders to attempt
to effect a landing of passengers
only at two ports, viz., Kahului,
Maui, and Hilo, Hawaii. Sept. 12
at day light in harbor at Kahu-
lui, the committee of the Board of
Health informed officers of the
Claudine that passengers could
not land. Meetings of citizens
and Board of Health were then
held. We were finally informed
at about 4 p. m. that passengers
would not be permitted to land.
We then started for Hilo, and
the morning of the 13th found us
in Hilo Bay.

Hood's Sarsaparilla Cures a Perfect
Cure.

"C. I. Hood & Co., Lowell, Mass.:
"Hood's Sarsaparilla is an excellent medicine.
I had eczema in my left leg for fifteen years.
Part of the time my leg was one mass of scabs,
and about every week corruption would gather
under the skin and the scabs would slough off.

The Itching and Burning
sensation made me suffer indescribable agonies.
I spent a great deal of money for different rem-
edies but did not get relief. About a year ago,
leading physicians advised me to take Hood's
Sarsaparilla. I did so and have taken five bot-

ties. Now all the sores, scabs and pain have
vanished and I am enjoying perfect health. I
think Hood's Sarsaparilla is second to none and
gladly recommend it to all suffering humanity."

"A few days later, the owner died without

MRS. AUG. DARROW.

WELLS, RICHARDSON & Co.,

Gentlemen:—I was very much run down, had no appetite at all, was very nervous, had no sleep night or day; to sum it all
up, I WAS PERFECTLY WRETCHED. But thanks to Paine's Celery Compound I can now eat and sleep and work just as
well as I could before I was taken sick. When I commenced taking the Compound I weighed 136 pounds; I now weigh 168
pounds and do all the work for my family of five. I have recommended the Compound to three families already and they are
very much pleased with it. I am now taking my fifth bottle, and would RECOMMEND IT TO ALL WHO ARE SUFFERING
WITH STOMACH TROUBLE OR NERVOUS TROUBLE.

Yours respectfully,
MRS. AUG. DARROW.
